Elementary Adult Learners who started in August, 2023 will engage in their practicum from September 2024, through June 2025, at an approved practicum site.. A total of 20 observation hours will be completed during the practicum. Practicum adult learners will meet monthly during the practicum year. The group will serve as support for each other by discussing subjects such as classroom management and curriculum design. The year-long projects course will meet monthly to discuss progress with the projects and individually with adult learners as needed. Presentations of projects will be completed at the end of the project.
